Episode 32

Savita needed to stitch a saree she had always wanted. She decided to try out a place called 'Desi Tailors' that was suggested by her friend Shalini.

Where is Desi Tailors?

Right around the corner, bhabhiji

HALF CAB

Apparently, this place is very popular among the women. Wonder why...

Now, where is the tailor?

You look like you could use some help Madam.

Hmm? Oh yes. I'm here to get a saree stitched.

My friend Shalini told me about this place.

You are at the right place.

My name is Shankar Shetty. I own this place.

Shalini ma'am is our very special customer.

www.kirtu.com

Nice to meet you Mr Shankar.

You really have a nice place here.

Thank you madam.

And it would be my pleasure to help a beautiful woman like you.

Thank you Mr Shankar

So, In what fashion are you trying to get the saree stitched?

Hmmm I really don't know yet.

Take a look at this catalogue.

These are the latest fashion for sarees.

www.kirtu.com

Hmm I still don't know which one to choose.

They are all different and all are excellent designs.

Here, I think I know the perfect design for you.

This one is perfect!

I'll definitely be the centre of attention among men in this saree.

Ah, I think this one is perfect for you

So Madam did you like the design?

www.kirtu.com

Uh? Oh yes, I really like this design very much

Excellent! I'm confident that this design is the perfect for you.

Let's take your measurement right away.

Ramu, take the cover from Madam.

And take the right measurements from her so that she would look stunning in her saree.

Ramu is new here. So, I'll be here just to make sure he does everything right.

Yes Sir.

Umm...ok.

Ramu start taking her measurements.

No! Not like that Ramu. How many times do I have to tell you?

www.kirtu.com

Move, let me show how it's done.

Madam, if you don't mind...

Oh. Not at all. Go ahead.

Look Ramu, this is how it must be done

Oh! What are you doing!?

Relax madam. We can't take measurements with your pallu hanging on.

Oh...I guess its ok then.

www.kirtu.com

The measurement should be taken around fullest part of the breasts.

See, like this.

Since no bra is needed for the blouse, the blouse must be tighter at the same time comfortable to wear.

What is Shankar doing?

Why did I forget to wear my bra today!?

Ok Ramu take down the measurements

www.kirtu.com

I wish I was doing what sir is doing to this bhabhi now.

Now let's move on to measure the blouse length and neck

How deep do u want the neck to be madam?

Hmm...What do u think?

Hmmm well, you have a gorgeous shape for breasts. Let people see how sexy you are.

Whatever you say Mr Shankar.

Great!

Now let's move on to measure the waist region

www.kirtu.com

Now Ramu, watch carefully

See Ramu, look at the tape carefully to get the precise measurement

Ahhn... This is so arousing!

Now we have to measure this region too

www.kirtu.com

Madam, I have to say, this design will show off your sexy figure perfectly.

Thank you Mr Shankar. I'm glad you said that.

It's my job to make these observations.

What a hot bhabhi yaar!

I want to get my hands all around her.

www.kirtu.com

Madam, I think we have the saree that was shown in the catalogue with the exact design and measurements for you!

Why don't you wear it so that I can verify its shape and size?

Alright, I'll do it.

A little while later...

Wait here. We will go get it for you now madam

Here you are madam.

Ramu will show you the trial room so that you can try out the saree.
